Classification according to Regulation (EC) No. 1272/2008 on the Classification, Labelling and Packaging of Substances and Mixtures (CLP):

Chemical Name	CAS No.	NLP No.	Lead Reg
Propane-1,2-diol (MPG), propoxylated	25322-69-4	500-039-8	Shell Nederland Raffinaderij B.V.

Endpoints	Classification	Reason for no classification
Explosiveness	None	conclusive but not sufficient for classification
Oxidising properties	None	conclusive but not sufficient for classification
Flammability	None	conclusive but not sufficient for classification
Thermal stability	None	conclusive but not sufficient for classification
Self-reactive substances	None	conclusive but not sufficient for classification
Self-heating substance	None	conclusive but not sufficient for classification
Organic peroxides	None	conclusive but not sufficient for classification
Corrosive to metals	None	conclusive but not sufficient for classification
Acute toxicity-oral/dermal	None	conclusive but not sufficient for classification
Acute toxicity - inhalation	None	data lacking
Acute toxicity- irreversible damage after single exposure	None	conclusive but not sufficient for classification
Repeated dose toxicity	None	conclusive but not sufficient for classification
Irritation / Corrosion	None	conclusive but not sufficient for classification
Respiratory sensitization	None	data lacking
Sensitisation	None	conclusive but not sufficient for classification
Aspiration hazard	None	conclusive but not sufficient for classification
Carcinogenicity	None	conclusive but not sufficient for classification
Mutagenicity - Genetic Toxicity	None	conclusive but not sufficient for classification
Specific target organ toxicity	None	conclusive but not sufficient for classification
Toxicity to reproduction- fertility	None	conclusive but not sufficient for classification
Toxicity to reproduction- development	None	conclusive but not sufficient for classification
Toxicity to reproduction - effects on or via lactation	None	data lacking
Environment	None	conclusive but not sufficient for classification

Labelling
This substance does not have to be labelled.
