

ReachCentrum training sessions in Slovenia and Slovakia – June 2010

Paul Nguyen, our ReachCentrum professional trainer, will lead a training session in Ljubljana, Slovenia, between 21 and 23 June, followed by a session in Slovakia on 24 and 25 June. The sessions are organised by the Chamber of Commerce and Industry of Slovenia, Association of Chemical Industries and the Association of Chemical and Pharmaceutical Industry of the Slovak Republic respectively.

Between 21 and 23 June Paul Nguyen, our ReachCentrum trainer, will be in Slovenia for a training session organised by the Chamber of Commerce and Industry of Slovenia, Association of Chemical Industries. Attendants will experience an informative and practical course on the installation of IUCLID 5.2 and discussions on dossier preparation as members of Joint Submission. Afterward, Paul will lead a training session in Slovakia on 24 and 25 June, hosted by the Association of Chemical and Pharmaceutical Industry of the Slovak Republic. Again the focus will be on IUCLID 5.2 and on dossier preparation as members of Joint Submission.

For further information see the ReachCentrum [workshop](#) and [training](#) pages or contact darja.bostjancic@gzs.si for training in Slovenia and Zuzana Zajacová at eurolleg@nexta.sk for the Slovak session.

About ReachCentrum

ReachCentrum is the professional services body established by Cefic, the European Chemical Industry Council, which has been designed to help companies all through the value chain to fulfill the REACH requirements. ReachCentrum provides guidance to get acquainted with the REACH requirements, managing Consortia, organising workshops and delivering in-company trainings. ReachCentrum services are available for European and non EU chemical manufacturing companies.
